

# BRAMDEN

## The Role – Accountant

Due to continued expansion of our existing businesses, along with recent strategic investments, we are seeking a hardworking and methodical Accountant to join our finance team.

The successful candidate will be responsible for maintaining the accounting function of our group of companies and investee businesses, including the preparation of consolidated management accounts and consolidated year-end financial statements. The candidate will also be involved with ad hoc project work, reporting and analysis on our existing businesses and prospective businesses.

## The Individual

The key attributes of the successful candidate include:

- Hard working and punctual
- Methodical with an attention to detail
- Excellent organisational skills
- Ability to prioritise tasks and work to tight deadlines

## Personal Specification

- At least 5 years experience working as an accountant
- Hold a recognised accountancy qualification

## About Bramden

Bramden Investments is an energetic and forward thinking investment company. With a fresh and dynamic approach to investing in unquoted businesses, Bramden is a market leading Private Equity firm that seeks out opportunities in a wide range of sectors.

Bramden is well placed in the current market as a cash rich investor to capitalise on the acquisition opportunities that are presenting themselves as a result of the recent economic downturn. However, with its roots in online and tech based start-up businesses Bramdens "sweet spot" is working as a team to create value from ideas, and transforming these ideas into a profitable business.

Bramden offers an excellent working environment and promotes a strong work ethic.

## Salary & Package

The successful candidate will be rewarded with a competitive remuneration package.
