

BRAMDEN

The Role - Accounts Assistant/Part-Qualified Accountant

Due to continued expansion of our existing businesses, along with recent strategic investments, we are seeking a hardworking and methodical Accounts Assistant/Part-Qualified Accountant to join our finance team.

The successful candidate will be responsible for maintaining the accounting records for our group of companies, making payments, preparation of management accounts and other various finance duties.

The Individual

The key attributes of the successful candidate include:

- Hard working and punctual
- Quick to learn but willing to ask questions when unsure of something
- Excellent organisational skills
- Ability to work to deadlines

Personal Specification

- At least 5 years experience working in a finance or bookkeeping environment
- A bookkeeping qualification would be helpful, although qualified by experience candidates would be considered

About Bramden

Bramden Investments is an energetic and forward thinking investment company. With a fresh and dynamic approach to investing in unquoted businesses, Bramden is a market leading Private Equity firm that seeks out opportunities in a wide range of sectors.

Bramden is well placed in the current market as a cash rich investor to capitalise on the acquisition opportunities that are presenting themselves as a result of the recent economic downturn. However, with its roots in online and tech based start-up businesses Bramdens "sweet spot" is working as a team to create value from ideas, and transforming these ideas into a profitable business.

Bramden offers an excellent working environment and promotes a strong work ethic.

Salary & Package

The successful candidate will be rewarded with a competitive remuneration package.
